

**Oscar E. Wilson Post 75  
The American Legion  
Department of Florida**

## THE AMERICAN LEGION

Department of Florida, American Legion  
Attn: Department Adjutant  
1912A Lee Road  
Orlando, FL 32810

Subject: Endorsement for Department Vice Commander,

At a recent meeting of the General membership, 22 September 2009, the membership voted to endorse Comrade Fletcher Williams, Jr., for the Office of Department of Florida, American Legion, Vice Commander.

Comrade Williams served his country in the United States Air Force and retired as a Master Sergeant. He is a life time member of the American Legion as well as several other Veteran Service Organizations. However, he is dedicated to the principles of the American Legion.

He has held numerous offices within the American Legion at the Post, District, Area and Department Level. He prides himself as a leader and the ability to get things done. He has a can do attitude and there is no task too large or small for Comrade Williams. He is a people person and this is what causes others to follow and want to be associated with him. He strongly endorses empowerment of the people, which is to give them the necessary tools to do their jobs. He likewise believes in mentoring, as you have to prepare others to follow in your footsteps.

He has also retired from the Federal Government, General Services Administration, preparing and monitoring Information Technology Contracts for the Government. In addition to this, he found the time to participate in a Project Management Program, where he has a Master Certificate. Comrade Williams has 40 years of Government service and with that a wealth of Leadership experience.

He is very active in the Local Community where he is involved with many civic and fraternal organizations. He is currently the Chairperson for the Crestview Veterans Affairs Committee and has frequent interaction with local Government Officials.

Comrade Williams feels that there's more that can be done within the Legion, especially for the youth who is the future of this Country and if we (the leaders of today) do not forge ahead with the training, then we will have a lost generation. Therefore it is incumbent to train them early and the American Legion Youth Programs is the perfect place to start.

You can rest assured that Comrade Williams is ready and willing to put his hands to the plow within the Department of Florida, American Legion and with that American Legion Post 75, endorses one of our own for the position of Department of Florida American Legion Vice Commander.

FOR GOD AND COUNTRY,

Rob Davis  
Commander

Maryanne Neumann  
Adjutant
