MEMBERSHIP– OPPORTUNITIES ARE EVERYWHERE!

The American Legion is the largest and certainly one of the most respected veterans' organizations in the world. The American Legion today faces more critical issues than ever before, issues such as the War on Terrorism, Homeland Security, The Department of Veterans Affairs initiatives on CARES, and the support of military families on both Active Duty and in the Guard and Reserve components of the United States Armed Forces.

Legionnaires have made headlines across America, standing with the families of fallen warriors at military funerals, and working with new programs such as the "Heroes to Hometown" serving those outstanding and dedicated military men and women returning from the battlefield and beginning their long recovery from severe traumatic head wounds and amputations.

The opportunities in front of us are also endless. With the renewed interest of the public in military affairs and in veterans' health care, the Flag Amendment, and the growing support of Military commanders across the country, The American Legion is poised for growth. The expanded "DMS Plus" program has proven its ability to identify and bring into our reach an entirely new group of veterans from every war era—new members we must contact and transfer into our local posts.

The American Legion, bolstered by a strong membership, has taken the lead in defining issues facing women in the military services and registering veterans with the Desert Storm illnesses. Indeed, the Legion has taken a lead in establishing support—with the American Legion family Support Network, to servicemen and women and their families deployed all over the globe. Through experience, we know these issues and others will not go away. We must continue to strengthen our membership base to meet these and other challenges in the future.

Remember: A successful membership campaign requires teamwork to recruit new members and to retain those who have already joined.

Increasing Your Post Membership 10 Proven Steps to Use for Success

Do These Steps Today

1. Develop a Membership- Recruiting Team and use the team for scheduled Post membership drives. The Post membership director establishes goals and incentives for the membership team. Post officers recognize and reward team players that are responsible for achieving the membership goal.
2. Develop and use a prospect list comprised of area Veterans to include delinquent Post members and active and delinquent Department Headquarters Post members. The recruiting teams make personal contact with these prospects which results in renewals, reinstates or transfers for the Post.
3. Utilize the Total Force (Active Duty, Reserve, National Guard) as another good source for membership. Re-connect visits results in membership growth. Provide services and support for active duty personnel and their families. Sponsor dinners, family events and functions honoring Active Duty, Armed Forces Reserve personnel, and National Guard Units and their families.
4. Successful Post use available media outlets, Websites, Newspapers, Community Bulletin Boards and Radio and TV stations to announce American Legion sponsored meetings, activities and functions through (PSA) Public Service Announcements. (Link to Public Relations Handbook: http://www.legion.org/?section=pub_relations&subsection=pr_docs&content=pr_docs)
5. Match the interest of the membership to the sponsored activities. Keep activities and programs flexible and adjustable to easily allow changes to stay consistent with the need and interest of the Post membership.
6. Publish a monthly or quarterly Post newsletter. Post membership stays informed of activities, programs, and functions.
7. Keep post meetings informative, enjoyable, orderly and held on time and in accordance with The American Legion By Laws and the Manual of Ceremonies.
8. Post Welcoming Committee warmly greets new members, makes introductions and assigns mentors to the new Post members.
9. The American legion Family concept is utilized. The American Legion, Legion Auxiliary, and Sons of The American Legion. “The Legion Family” team up and work for the good of the community and their Post.
10. Interact with civic and patriotic organizations that share a mutual interest in the community, the youth of the community and Americanism programs.

5. Source of Information

Top Five Reasons Veterans and Their Families Renew Membership

NEED HELP IN RECRUITING AND RETENTION? Frequently Asked Questions

1. Why should I renew my membership when I don't visit the Post or go to Post functions?

Answer:

Your Legion membership counts when we appear before Congress on behalf of all Veterans. It shows Congress that you care about your earned Veteran benefits and entitlements, and it also shows them you care about those with who you served.

2. Who should I join when I already belong to two or three other veteran organizations?

Answer:

Many American Legion members belong to more than one veteran organization and assuredly many have felt those other organizations were more than adequate. However, once the veteran sees the work The American Legion does through community-based Americanism, Children and Youth and Scholarship programs, the positive aspects shine through. Discovering the initiative The American Legion showed in pressuring the VA to recognize Agent Orange related illnesses for the Vietnam Veteran and now the Desert Storm Veterans' issues with the Gulf War illness made the choice of joining another Veteran service organization an easy one.

3. I'm not old enough. Why should I join?

Answer:

Veterans with an interest in the future of their earned VA benefits and the future of American are old enough. Age is not the criteria for membership. Criteria for membership is having served honorably in the Armed Forces of the USA during a time of war or conflict.

4. Why should I join/renew and pay dues when I'm being helped through the VA without being a member of the American Legion?

Answer:

This is correct; you need not belong to The American Legion to receive benefits from the VA. However VA benefits are benefits that The American Legion worked hard to get for the Veteran, and now we need your help in lobbying to protect and save them. Your membership counts; Congress sees it as one more vote for the Veterans benefits.

5. Why should I join when my brother-in-law brings over his magazine for me to read?

Answer:

It is nice of your brother-in-law to share his magazine, but he is unable to share the rest of The American Legion experience. He can't share his Post membership activities, the camaraderie, benefits and discounts. Discounts on eye wear, prescription drugs, hotels

and motels, vacations, car rentals, Post events and activities are benefits that over 2.7 million dues paying, card-carrying members experience daily and enjoy.

6. Why should I join the American legion Post? Many Posts have non-veterans regularly visiting the clubroom and I don't wish to associate with them. I did the time and paid the price and they didn't.

Answer:

There are undoubtedly others who feel this way until they came to understand The American Legion Family. The American Legion Family is made up of the legionnaire and his or her family members. It consists of the Sons of The American Legion, whose membership is primarily sons and grandsons of a Legionnaire, and The American Legion Auxiliary, whose membership is comprised of wives, daughters, sisters and mothers of a Legionnaire. Yes, you may find yourself visiting the Posts' clubroom and sitting next to non-veteran, but this doesn't mean they aren't members they most likely are American Legion Family members.

7. What is the American Legion going to do for me?

Answer:

Since 1919 The American Legion has been there for all Veterans and it will be there for you today, doing what it was formed to do. The American Legion will provide service to you, the veteran, and help your family in a time of need. The American Legion gives you the opportunity to stand up and be recognized, along with nearly three million other members who have served our Nation in a time of war or conflict. Through Legion membership you work with others to improve benefits for the Veteran, make our communities better places in which to live, and help to build a strong future for America, by teaching patriotism to our Nation's youth. This is what The American Legion is going to do for you. Today is your opportunity to become a member of The American Legion the Nation's largest wartime Veterans organization.

8. Does my membership allow me access to other post across the country?

Answer:

Yes. You and your family are welcome to visit and share in the convenience of the post home you enjoy back in your hometown or wherever you are a member.

9. How long are my dues good for?

Answer:

The American Legion membership year runs from Jan 1 through Dec 31. The renewal process for the next year begins six months prior to the expiration of your current annual dues.

10. What type of service activities are Legionnaires involved with?

Answer:

The American Legion was instrumental in the creation of the Veterans Administration, and is universally recognized as the originator of the GI Bill of Rights. The Legion works constantly to maintain the rights and benefits earned by veterans through service to their country. Legionnaires are also involved with community activities ranging from hospital services and blood drives to youth programs such as Boy Scouts, civic Awareness, American Legion Baseball, scholarships and the annual American Legion Boys State/Boys National programs.

11. As a Legion member, how involved do I have to become in its service programs?

Answer:

That's strictly up to you. Some of our members are more involved than others but all members are encouraged to find a level of involvement that's comfortable for them.

If you have any members who would like to take advantage of this service, please let us know by having them complete the information below.

NOTE: This service works only if the member moves between two address at the same time each year. The members must provide a summer & winter address and the approximate date they move to/from each. Department Credit Card Processing

Members now have the option of paying their dues by credit card. Only MasterCard, Visa, Discover credit cards and debit cards bearing the VISA or MASTERCARD logo can be accepted. **American Express, store cards and gift cards are not acceptable cards.**

The process is as follows:

*Upon receipt of the renewal notice, the member decides to pay his or her current year membership dues by credit card. The member will forward his or her credit card information, and renewal notice to his or her post, the same as any other form of payment. The Post has the option of processing the credit card payment, if it is set up for credit processing. At that point, the credit card can be validated and the member's card can be issued. If the Post cannot process credit cards the Post should annotate the member on the Post roster, count him or her as paid and issue the membership card.

*Prepare a separate transmittal for renewal by credit card. Include the credit card authorization slip (dues renewal notice) and the membership card(s). The total amount charged will be the total amount due the Post - unlike for cash or check payments, in which only the combined National and Department per capita is forwarded. No post check or cash should accompany credit card payments that the Posts wants the Department to process.

*After Department receives the authorization, the charge will be processed and the Post will receive a credit for the difference between the Post dues and the per capita.

*The post will be issued a notice detailing the members(s) processed at Department Headquarters and the date processed. When the Post Adjutant receives this information, he/she should double check the processing of the member in the Post records.

Please note that cards should be issued to the renewing member immediately. In the unlikely event that the credit card payment is invalid, the Post should deal with the member just as it would for checks that are not honored. The Department will notify Posts when credit payments transmitted to the Department are not approved by the credit card company.

Renewal notices prepared by the National Organization and mailed directly to members have been revised to reflect this change in processing. If the member does not have the dues notice, please use the form on page 18.

Please take careful note of this change in procedure. If you have any questions, please contact Department at 1.800.393.3378 ext. 231.

UPDATED PUFL APPLICATION & NEW “PUFL HONORARY” DESIGNATOR

Through the years, many Posts have discovered that it’s a smart choice to purchase a Paid-Up-For-Life (PUFL) membership through National for those members who have been awarded an Honorary Life Membership by the Post. There are a variety of reasons for a Post to recognize a members by bestowing an Honorary Life Membership, but it also means that the Post is accepting the responsibility of renewing that person’s membership every year. By purchasing a PUFL Membership, it ensures that the member’s dues are paid annually and on time. And the Post doesn’t need to worry that someone will forget to renew the dues at some point in the future...causing possible embarrassment to the member, as well as the Post.

To this point, there was no obvious indicator that would separate a “regular” PUFL member from one who had received his PUFL as an award from the Post. The new PUFL applications being distributed will reflect several changes....one of those changes is a new field to indicate that the application is for a member who is receiving the PUFL as a gift awarded by the Post. A sample of the revised application is on page 27. You will see a box stating, Check here if PUFL is being awarded by Post (Honorary Life); during processing at National a special code will be placed on the member’s record to record the Post’s recognition. Also, in addition to the PUFL (P) code, Honorary Life (H) code, all membership rosters (annual, supplemental & quarterly) will now reflect the new TYPE code of an asterisk (*) to denote PUFL HONORARY. Existing supplies of the current PUFL application should be used first, however, the request for the PUFL Honorary code can be written on the form.

Note: If you currently have members who have been awarded a PUFL membership by the Post in the past, you can submit those names, with their Member ID numbers and request that the PUFL HONORARY code be added to their record.

There are a few other changes on the new PUFL application that will help speed processing. The member’s signature is required on all applications, except for memberships being given as gifts, whether by an individual or the Post. An additional signature line has been added to use whenever payment is by a credit card that belongs to someone other than the applicant. NO credit card transactions will be processed without the appropriate signature of the cardholder.

On the reverse side of the application, a small paragraph regarding the deduction of dues paid in advance from the total PUFL fee. As noted, the deduction is to be taken by the Post at the time of application, and the payment submitted to National should be for the amount remaining after the deduction. For example, if a member pays 2008 dues of \$25.00 in August 2007, then he decides to purchase a PUFL membership in November, his 2008 dues may be deducted from the total PUFL fee, if the application is received at National by 12/31/07. So assuming this member’s PUFL fee is \$251.00, and his PUFL application is to \$226.00. If this deduction is taken, it should be clearly noted in the margin on the front of the application.

HOW TO BE A PAID-UP-FOR-LIFE LEGION MEMBER

Any existing member of The American Legion, in good standing can apply for PUFL membership, providing the member's Post is in a Department participating in the National Paid-Up- For-Life (PUFL) Membership Plan. (The Department of Kansas does not participate since it maintains its own plan.) To be in good standing, the member must have a valid membership card for the current year. After January 1, a member is delinquent if dues for the current year are not paid, and would need to pay current dues before being eligible to purchase a PUFL. Should a PUFL member hold membership in a Post whose charter has been canceled and the member is unable to effect a transfer, then the unused portion of the original fee will be refunded. The same rule will apply in the case of a member whose membership has been revoked by the Post. Except as stated, no refunds of PUFL membership fees will be made.

COST OF A PAID-UP-FOR-LIFE MEMBERSHIP

A PUFL membership is based on two factors-the member's age and the amount of the total dues of the Post at the same time. The total dues of the Post include the Department and National per capita and the amount of the annual dues retained by the Post. The dues amount used to compute the cost may NOT be less than the sum of the Department and National per capita. The chart below shows the cost of a PUFL membership for any age and for most Post dues. Pick out you age group (your age at last birthday) then find your Post dues in the left-hand column and go across to your age column to find your cost. For example, if your dues are \$25.00 and you are 65 years old, your cost is \$352.

THE APPLICATION FORM

The applicant fills out the top portion of the form, signs it, and turns it over to the Post Adjutant. Unless the membership is to be charged to Master card, Visa, Discover or American Express, payment by personal check or money order must accompany the application. If desired, arrangements may be made to pay the fee on time payment - enclose at least 10% of the total PUFL fee with the application. Coupons and envelopes will be sent to the member so monthly payments can be submitted until the balance is paid-in-full (must be paid within 12 months of the application date).

The Post Adjutant or Finance Officer must certify 1) the members is in good standing, 2) enter the last year for which dues are paid, 3) the Member ID#, and 4) the dues amount used to calculate the lifetime fee. After signing, the Post Adjutant or Finance Officer give the receipt to the applicant. The Post is encouraged to make a copy of the application for its records. The Post Membership Roster, and any other personal records should be marked to indicate the member has paid dues for life as of the date on which the applications is signed, or has started a Time Payment Plan.

*If the Post dues are not shown on the chart, compute the cost by multiplying the actual dues by the amount in the “Other” line, using the one at the bottom of your age column. For example, age 62 and annual dues of \$27.50 (multiply \$27.50 X \$16.70=\$459 {rounded to the nearest dollar}). If you use this method to compute the cost, double check your multiplication to verify the fee...this will avoid unnecessary correspondence and delay.

Note: If the member has paid dues in advance to the Post, the dues amount may be deducted from the total fee, provided the PUFL application is received at National prior to January 1st, the commencement of the new membership year. It is the responsibility of the Post to ensure the dues are deducted prior to submitting the application and PUFL fee. This deduction should be noted in the top margin of the front of the PUFL application..
