EVENT OVERVIEW:

This January and February is Swimsuit Season!!

Each year, the Polar Plunge challenges thousands of brave jumpers at numerous locations around the state. It's a great way for everyone—individuals, cool schools, organizations and businesses—to get involved in supporting Special Olympics Florida. All funds raised go towards programming and events for more than 35,000 athletes statewide.

Take a dip in the ice waters across Florida and be a part of the "coolest" event of the year! Join the fun, help raise funds and win prizes all in support of Special Olympics Florida.

Think you have what it takes? The concept is simple: participants raise a minimum of $100 and take a dip into one of Florida's freezing waters. But the Plunges are so much more than that: They're the kind of fun and thrilling events that you really have to experience to understand. Grab some friends, get pumped and register today!

Plungers, who raise the minimum of $100 in donations, automatically get a chance to plunge, the official Polar Plunge® T-shirt, and bragging rights over everyone who just couldn't bear it!
