Introduction: **“A Constitutional Speech Contest”**

The American Legion Oratorical Contest exists to develop deeper knowledge and appreciation for the U.S. Constitution among high school students. Since 1938, the program has presented participants with an academic speaking challenge that teaches important leadership qualities, the history of our nation’s laws, the ability to think and speak clearly, and an understanding of the duties, responsibilities, rights and privileges of American citizenship.

Young orators earn some of the most generous college scholarships available to high school students. Over \$138,000 in scholarships can be awarded each year. The overall national contest winner gets an \$18,000 scholarship. Second place takes home \$16,000, and third gets \$14,000. Each department (state) winner who is certified into and participates in the national contest’s first round receives a \$1,500 scholarship. Those who advance past the first round receive an additional \$1,500 scholarship. The American Legion’s National Organization awards the scholarships, which can be used at any college or university in the United States.

High school students under age 20 are eligible. **Competition begins at the post level and advances to a state competition.** Legion department representatives certify one winner per state to the national contest, where department winners compete against each other in two speaking rounds. The contest caps off with a final round that decides the three top finishers.

Speaking subjects must be on some aspect of the U.S. Constitution, with some emphasis on the duties and obligations of citizens to our government.

CONTEST OFFICIALS

JUDGES

One of the most important tasks in staging a successful Oratorical Contest is the appointment of qualified contest officials.

The judges are an integral part of the Oratorical Contest. Their qualifications should be considered carefully, as the decision of the judges is final and must be reached without bias. Impartial judging in all contests is the key to fairness and the success of the program.

Post, District, and Area Contests are required to have three (3) judges at the contest. The Department Finals requires five (5) judges.

No publicity shall be given to the names of the judges in advance of the contest. During the contest, the judges will be seated in different locations in the auditorium, and each judge will render his final decision without consultation with other judges or any other person. Official score cards, which the Chairman shall provide, are available for use by the judges.

The contest chairman should meet with the judges prior to the contest to ensure that the judges have a thorough understanding of their responsibility and have the necessary materials for the contest.

TABULATORS

Each contest should have **at least two (2) tabulators**; whose job it will be to make certain that the judges have fully tabulated and signed their scorecards before submitting them for final tabulation. Individuals appointed as tabulators should be well versed and experienced in working with numbers. They should be acquainted with the method of deciding a winner when two or more contestants receive the same placement point score total.

TIMERS

Each contest should **have two (2) timers**, whose job is to time each oration. They should have knowledge of reading a stopwatch. Equipment needed is stopwatches and time cards.

POLICY STATEMENTS

The following policies are set forth by the Oratorical Committee. These policies are in effect and shall be adhered to for all contests held in the state of Florida.

1. The National High School Oratorical Contest rules prevail unless stated differently in the Department of Florida policy statement.
2. Any qualified student who is a permanent resident of the state of Florida may enter the Oratorical Contest provided that he or she is **sponsored by a Legion Post**.
3. ***Certification of winners*** must be processed and forwarded to the next higher level immediately following the respective Contest.
4. *Once a contestant enters the contest at the Post level, he/she may **not** participate in any other Post contest. For Example: If Suzie is sponsored by Post 1 and does not win the Post Contest, she is ineligible to participate in another Post contest.*
5. A **representative of the Post** sponsoring a contestant **will accompany the contestant** at each level of competition.
6. At all levels, the contest time shall be given consideration in relationship to the distance the contestants must travel.
7. There shall be **three judges** for any level contest below the state finals.
8. Discretion shall be used when selecting Judges. People in education, forensics or debate, lawyers, judges, Toastmasters, and others familiar with speaking and the Constitution are excellent choices. For further clarification, contact Department Chairman.
9. It is recommended that Legionnaires **not** be used as judges. However, if it is necessary to use a Legionnaire as a judge, he or she shall not be in uniform.
10. Prompting will be considered disqualification of a contestant.
11. Props of any kind will not be allowed.
12. No contest below the State level will be held in a hotel/motel. All contests should be held in local Posts, high schools, or other appropriate facilities.
13. **The script shall be followed exactly as written so that each contestant will have experienced the contest, as it will be conducted at both the State Finals and National levels. DO NOT DEVIATE.**
14. Contests with only one contestant shall be conducted under regular contest conditions and rules. Judging is not required, but may be performed at the chairman's discretion.
15. ***No District Contest shall be held before 1:00 pm and no Area Contest shall be held before 2:00 pm.***
