OEF/OIF/OND VETERANS

Opportunity to participate in driving research

We are recruiting <u>combat veterans</u> for a study on <u>driving performance</u> and we are offering driving rehabilitation strategies to participants.

PARTICIPATION MAY INVOLVE	- A phone interview of health and driving questions - Clinical tests of thinking, vision and motor skills - Driving evaluation and training using a driving simulator
ELIGIBILITY TO PARTICIPATE: VETERAN	1. Veteran of either **Operation Enduring Freedom (OEF)**, **Operation Iraqi Freedom (OIF)** or **Operation New Dawn (OND), age 18-60,** a. Who report driving issues (either formal such as violations, citations or MVC, or informal including risky driving or driving stress and/or anxiety. 2. Have a current driver's license (or eligible for a license) AND drove prior to injury. 3. Living in the community (not in an Assisted Living or Nursing Home facility). 4. Physically and mentally able to complete clinical tests, driving tests/ training including the use of a driving simulator, and to answer questions about health and driving history.
ELIGIBILTY TO PARTICIPATE: FAMILY MEMBER / CARE GIVER / FRIEND	- Family member / care giver / friend, of veteran, age 18-85, who can answer questions about the veteran's driving - Living in the community (not Assisted Living / Nursing Home facility)

Veterans and their Caregivers who participate in this study will be compensated appropriately
