## BECOME A MEMBER

For over a century, **The American Legion**, **American Legion Auxiliary** and **Sons of The American Legion (SAL)** have worked steadfastly, side by side, promoting patriotism and national security while supporting youth and advocating for veterans and active-duty military personnel and families. From the drafting of the original **GI Bill** to the creation of the **Department of Veterans Affairs**, The American Legion Family is the most influential voice for America's veterans.

The **American Legion Riders** ([legion.org/riders](http://legion.org/riders)), is one of our most prominent programs. Members of the American Legion Riders are involved in many diverse programs. To become a member, A Legion rider must be a member of The American Legion, SAL or Auxiliary in order to join a chapter at a local post.

While members of The American Legion Family are individually unique, collectively we are a **multi-million member powerhouse** of caring advocates dedicated to service. You'll find that getting connected to The American Legion Family is one of the best decisions you'll ever make.

### Legion Act:

The Let Everyone Get Involved In Opportunities for National Service Act (LEGION Act) opens the door for millions of veterans to access American Legion **programs and benefits** for which they previously had not been eligible.

### Auxiliary Extends Eligibility:

The American Legion has voted to extend membership in the American Legion Auxiliary to male spouses of U.S. Veterans and Servicemembers.
