## **INTRODUCTION: “A Constitutional Speech Contest”**

The American Legion Oratorical Contest exists to develop deeper knowledge and appreciation for the U.S. Constitution among high school students. Since 1938, the program has presented participants with an academic speaking challenge that teaches important leadership qualities, the history of our nation’s laws, the ability to think and speak clearly, and an understanding of the duties, responsibilities, rights and privileges of American citizenship.

Young orators earn some of the most generous college scholarships available to high school students. Over \$188,000 in scholarships can be awarded each year. The overall national contest winner gets an \$25,000 scholarship. Second place takes home \$22,500, and third gets \$20,000. Each department (state) winner who is certified into and participates in the national contest’s first round receives a \$2,000 scholarship. Those who advance past the first round receive an additional \$2,000 scholarship. The American Legion’s National Organization awards the scholarships, which can be used at any college or university in the United States.

High school students under age 20 are eligible. **Competition begins at the post level and advances to a state competition.** Legion department representatives certify one winner per state to the national contest, where department winners compete against each other in two speaking rounds. The contest caps off with a final round that decides the three top finishers.

**Speaking subjects must be on some aspect of the U.S. Constitution, with some emphasis on the duties and obligations of citizens to our government.**

## *4<sup>th</sup> Level – State Level:*

6 contestants – one from each Area – will travel to Orlando, FL to compete for the State Oratorical Title. The first-place winner will go on to compete in the National Oratorical Contest.

# WHAT DO THE CONTESTANTS PREPARE?

## The Prepared Oration

The prepared oration must be on some **aspect of the Constitution of the United States with emphasis on the duties and obligations of a citizen to our government.** The same subject and oration used in the Department contest must be used in the National contest. The prepared oration must be the original effort of each contestant and must not take up less than eight minutes or more than 10 minutes for delivery. This aspect of the Constitution is the choice of the contestant but should have a strong emphasis on the obligations of a citizen to their government.

The Prepared Oration must be delivered in the English language. Contestants may have a hard copy of their oration in the first holding room to study but must give the copy to the escort when exiting the room to give their Prepared Oration. Cell phones or tablets are not allowed. In the prepared oration, as well as in the assigned topic discourse, quotations must be indicated as such.

Where quotations are more than 10 words in length, the author's name must be given in the manuscript and cited orally. Signing is not allowed and will result in immediate disqualification. The contestant may, however, quote a verse(s) of a song, provided proper attribution is made.

A hard copy of the Prepared Oration should be given to your Oratorical Chairman on the day of the contest. The Prepared Oration you give should remain largely the same at each level of the contest though minor changes are allowed.

## The Assigned Topics

The assigned topic discourse may last between three and five minutes for delivery. The purpose of the assigned topic discourse is to test the speaker's knowledge of the subject, the extent of his or her research, and the ability to discuss the topic as related to the basic principles of government under the Constitution. The assigned topic shall be drawn by the contest official in full view of the audience immediately before the last speaker begins delivery of his/her prepared oration and will be made known to the audience and each contestant approximately five minutes prior to the time of delivery. The topic will be on some aspect of the Constitution of the United States as listed under assigned topics at [www.legion.org/oratorical/topics](http://www.legion.org/oratorical/topics).

All contestants at each contest level are required to speak in the English language on the same assigned topic. It is acceptable to utilize or incorporate short phrases of a foreign language into the prepared oration and/or assigned topic in order to develop the argument, establish a point, etc. It is to be understood that the vast majority of the prepared oration and/or assigned topic must still be delivered in the English language.

# CONTEST OFFICIALS

## JUDGES

One of the most important tasks in staging a successful Oratorical Contest is the appointment of qualified contest officials.

The judges are an integral part of the Oratorical Contest. Their qualifications should be considered carefully, as the decision of the judges is final and must be reached without bias. Impartial judging in all contests is the key to fairness and the success of the program.

**Post, District, and Area Contests are required to have three (3) judges at the contest.** The Department Finals requires five (5) judges.

No publicity shall be given to the names of the judges in advance of the contest. During the contest, the judges will be seated in different locations in the auditorium, and each judge will render his final decision without consultation with other judges or any other person. Official score cards, which the Chairman shall provide, are available for use by the judges.

The contest chairman should meet with the judges prior to the contest to ensure that the judges have a thorough understanding of their responsibility and have the necessary materials for the contest.

## TABULATORS

Each contest should have **at least two (2) tabulators**; whose job it will be to make certain that the judges have fully tabulated and signed their scorecards before submitting them for final tabulation. Individuals appointed as tabulators should be well versed and experienced in working with numbers. They should be acquainted with the method of deciding a winner when two or more contestants receive the same placement point score total.

## TIMERS

Each contest should **have two (2) timers**, whose job is to time each oration. They should have knowledge of reading a stopwatch. Equipment needed is stopwatches and time cards.

## **POLICY STATEMENTS**

1. The following policies are set forth by the Oratorical Committee. These policies are in effect and shall be adhered to for all contests held in the state of Florida.
2. The National High School Oratorical Contest rules prevail unless stated differently in the Department of Florida policy statement.
3. Any qualified student who is a permanent resident of the state of Florida may enter the Oratorical Contest provided that he or she is **sponsored by a Legion Post**.
4. Contests can have no more than 6 contestants. If your contest has more than 6 contestants, you will need to divide your contest into two days to accommodate all of the contestants.
5. **Certification of winners** must be processed and forwarded to the next higher level immediately following the respective Contest.
6. *Once a contestant enters the contest at the Post level, he/she may **not** participate in any other Post contest. For Example: If Suzie is sponsored by Post 1 and does not win the Post Contest, she is ineligible to participate in another Post contest.*
7. *A **representative of the Post** sponsoring a contestant **will accompany the contestant** at each level of competition.*
8. At all levels, the contest time shall be given consideration in relationship to the distance the contestants must travel.
9. There shall be **three judges** for any level contest below the state finals.
10. Discretion shall be used when selecting Judges. People in education, forensics or debate, lawyers, judges, Toastmasters, and others familiar with speaking and the Constitution are excellent choices. For further clarification, contact Department Chairman.
11. It is recommended that Legionnaires **not** be used as judges. However, if it is necessary to use a Legionnaire as a judge, he or she shall not be in uniform.
12. Prompting by parents, judges, or audience members will be considered disqualification of a contestant.
13. Props of any kind will not be allowed.
14. No contest below the State level will be held in a hotel/motel. All contests should be held in local Posts, high schools, or other appropriate facilities.
15. **The script shall be followed exactly as written so that each contestant will have experienced the contest, as it will be conducted at both the State Finals and National levels. DO NOT DEVIATE.**
16. Contests with only one contestant shall be conducted under regular contest conditions and rules. Judging is not required but may be performed at the chairman's discretion.

17. At no time shall a volunteer, Legionnaire or Oratorical committee member be alone with a student. This is particularly important for escorts in the holding rooms or escorting students to the restrooms. Also, at no time shall a Legionnaire touch a student, except to shake hands. There should be no hugging or putting an arm around a student's shoulder or waist before, during or after the contest, including photographs. We expect our Legion members to be above reproach when dealing with students who are typically minors or very young adults.
18. A Post is not required to hold an Oratorical Contest. Many Posts don't have a Chairman and have other obstacles to holding a contest, such as lack of participants. However, it's conceivable that the National office could send a qualified lead to an area where there will simply be no Post Contest. Department will try to find a Post in the same District that can sponsor the contestant. The contestant should have an opportunity to give their oration in a setting similar to a regular contest setting.

## **Inspiration and Resources for Students**

One of the best ways to learn more about the Oratorical Contest is to watch videos of past winners. Because we are in Florida, I usually start with past National winners from Florida. The National website has some videos of past winners but it's just as easy to see videos on Youtube.

Here is Co'Relous Bryant, the 2007 National winner from Jacksonville, FL:  
<https://www.youtube.com/watch?v=tSZqomRviwY&list=TLchp4qMKasug>.

And Geeta Minocha, the 2015 National winner from Ocala:

## **Podcasts**

**Presidential.** A Podcast by Lillian Cunningham. In 44 episodes, notable historians and journalists explore the character, leadership and legacy of each of the American Presidents.

**Constitutional.** A Podcast by Lillian Cunningham. This series explores the Constitution and the people who framed it and reframed it—revolutionaries, abolitionists, suffragists, teetotalers, protesters, justices, presidents—in the ongoing struggle to form a more perfect union.

**More Perfect.** A Podcast by Radio Lab. Season 3 is all about the 27 Amendments and how the Supreme Court got so supreme. Seasons 1 and 2 are just as interesting.

**We The People.** A weekly show of constitutional debate hosted by National Constitution Center President and CEO Jeffrey Rosen where listeners can hear the best arguments on all sides of the constitutional issues at the center of American life.
