Dear Fellow Legionnaire,

According to our Department records you are a member of the National Post 400 and have not renewed your 2020 membership. My purpose in writing you today is to encourage you to transfer your membership to Post 273, in Madeira Beach.

As a Legionnaire, you can become an integral part of the Post Family. Our Family has a strong commitment to our local community; by working with the youth of our community, holding "Blood Drives" to meet needs for this life giving supply. Our strongest commitment is to assist our local Veterans with their needs. Our Post has two Service Officers who are available to answer any questions concerning your benefits and assist you in applying for those benefits.

If you have not been in a community Post, come visit, take a look around and see the Post Home. I would encourage you to consider a transfer to Post 273. If you are interested in transferring, please fill in the information provided below OR REPLY TO THIS EMAIL. Our Post By-Laws require you to provide a copy of you DD Form 214 or Honorable Discharge and dues are \$45.00. These dues are utilized to assist our Veterans and improve our Post home.

For God and Country,

Jim White, Post 273 Commander
The American Legion Department of Florida, Post273@amleg273.com

YES, I WISH TO TRANSFER TO POST 273.
