# MEMO

**DATE:** December 8, 2020  
**TO:** Florida Legionnaires  
**FROM:** Michael R. McDaniel, Department Adjutant  
**SUBJECT: SPECIAL BULLETIN**

With a heavy heart, I announce my formal resignation as your Department Adjutant for the Department of Florida American Legion effective July 2, 2021. After 14 years in this role, I feel it is the right time to move aside and allow younger veterans to steer us toward the future.

I am proud of the work we have done together to refocus our energies on our veterans by creating Project Vet Relief, the American Legion License plate, and now the medical program for our families.

Thanks to the passion of our incredible team of dedicated and talented Department Staff, Legion Family Members, our committed DEC, and the hundreds of volunteers in local American Legion Posts, we are taking giant leaps together to grow a powerful Florida Legion that is rededicated to service at the individual, community, and state level.

I will always love Florida Legion and all of you who have touched my heart. I look forward to working side by side with you as a volunteer to accomplish this first great mission of our second one hundred years of service.

Commander Rick Johnson is appointing a Search Committee for screening and recommending to the Department Executive a candidate for the position of Department Adjutant.
