Lifetime membership can be paid either in one single lump sum or over 12 equal, monthly payments. If a member chooses the Time Pay Plan, payment must be made by credit card only. (Check for online promotions if paying in full.) Once a member fulfills the PUFL membership dues, he/she will be protected from any future dues increases at the Post, Department or National levels.

All PUFL applications must be submitted to National Headquarters by one of three methods:

- 1) **Online applications:** The member can obtain a rate quote online at www.legion.org/pufl. Once the quote is received, the member can opt to apply online and their personal information will appear for confirmation. Once confirmed and payment information is entered, the member clicks "Submit" to finish the application process. Note: If no internet access, the post or department can perform the process. A link to the PUFL application page has been added to mylegion.org for posts and departments.
- 2) **Printable applications:** The member obtains a rate quote online at www.legion.org/pufl. Once the quote is received, the member can opt to print an application to complete and mail to National Headquarters. The application will be pre-filled with the member's name, address, birth date, ID number and the total cost of PUFL membership. {Any updates to member's record can be noted on the application.} The member simply mails the application and payment to National Headquarters at the address on the form. Note: For those without internet access, the application should be printed by the post or department and forwarded to the member for completion. A link to the PUFL application page has been added to mylegion.org for posts and departments.
- 3) **Call Customer Service:** Members can speak to a customer service specialist by calling 1- 800-433-3318. They can answer questions regarding the PUFL program as well as print and mail PUFL applications or take them over the phone. Note: This should not be considered the primary procedure, as members, posts and departments have this ability.
