Memo To: National Executive Committeemen
Alternate National Executive Committeemen
Commission/Committee Chairmen
Department Commanders
Department Adjutants
Executive and Division Directors

Subject: Resolution No. 21, National Executive Committee – May 4-5, 2016
“Reiteration of 1960 National Executive Committee to Urge Departments to Restrict Resolutions to Matters Relevant to Purposes For Which The American Legion Was Organized”

This is brought to your attention because of the policy contained therein.

It is most urgently requested that every reasonable effort be made to reject resolutions which are not germane to the purposes for which The American Legion was organized, and this can most effectively be accomplished at your department convention.

Please make every effort to carry out the concluding paragraph of Resolution No. 21, in that all resolutions being forwarded for action at the national level should be supported by the identification of the individual or group originating the resolution, and also by a written statement of the supporting arguments in favor of the action sought and outlining the material relevance of the subject to the purposes for which The American Legion was formed.

It will be appreciated if you will do your utmost to carry out the intent of Resolution No. 21.

DANIEL S. WHEELER
National Adjutant
