

THE AMERICAN LEGION, DEPARTMENT OF FLORIDA CONVENTION

COVID-19 SAFETY PLAN

IF YOU HAVE THE FOLLOWING SYMPTOMS, PLEASE LEAVE.

Unless you have been cleared by a doctor, tested negative for COVID, and diagnosed with a non-contagious condition.

Fever

Tiredness

Dry cough

Sore throat

Aches and pains

Nasal congestion, runny nose

Sputum production

Headache

Difficulty breathing

Diarrhea

Wear a face covering at ALL times

Avoid direct contact with others (cheek and nose greetings, shaking hands, kissing and hugging)

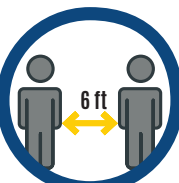

Avoid direct contact with surfaces

Wash your hands with soap and water frequently

Use hand alcohol-based sanitizers

Stay 6 feet apart

Do not touch your eyes, nose and mouth with unwashed hands

Cover your mouth and nose with bent elbow when you cough or sneeze

Or cover your mouth and nose with tissue when you cough or sneeze

Dispose of the used tissue immediately

TAKE THE FOLLOWING PRECAUTIONS

Even if you have been vaccinated it is still possible to spread the virus to others.

Adhere to these safety precautions whether you have been vaccinated or not.

WEAR FACE COVERINGS AT ALL TIMES!

Rules will be enforced.
