He is ultimately responsible for your behavior while on MacDill AFB. Please follow all posted speed limit signs, and no texting or cell phone use on base. You are guest of this installation.

This event was planned and executed by volunteers. Please bear that in mind if/ when something doesn't work out as planned.

Base Access and Campsite Guidance

Current and valid DoD or DoD-affiliate ID card holders will have access to MacDill AFB.

A list of participants without a DoD ID card must be received by Chris Ragusa no later than 29 November 2021. Base Security Forces need 3 business days to perform the background check (basically a state and national felony and warrant search).

The Access List for all adults, Scouts and their siblings without a DoD ID will be at both the Main Gate (S. Dale Mabry) and Bayshore Blvd. gates. You will have access to MacDill AFB from Friday - Sunday. If there is an issue, please contact Chris Ragusa (614.940.9291)

Feel free to show up at Lewis Lake any time after 5:00pm on Friday afternoon. The address for mapping purposes is 9249 Marina Bay Dr, Tampa, FL 33621. Our program will run through 12:00pm on Sunday. It will be disruptive if you leave earlier.

Absolutely no vehicle parking in the campsite. There are two Drop Zones identified on the map. Park temporarily (5 minutes), drop your gear, and move your vehicle to the Small Weapons Training Facility parking lot. **THIS IS THE ONLY WAY THAT WE WILL ALL GET IN AND OUT!**

Tent Camping areas will be organized by Pack as in the example from last year. Please adhere to your pack's assigned area.

- Do not set your tent up near the PortaPotties or handwash stations, in a lower elevation location, or in a common access area.
- No hammock camping permitted

There are no electrical drops at Lewis Lake (even in the pavilion)....BRING HEAD LAMPS AND FLASHLIGHTS!

There are not enough picnic tables and chairs to accommodate everyone – YOU MUST BRING A CAMP CHAIR FOR YOUR FAMILY!
