

### In-State Unity Ride and State Rally - Available Hotels

We know that the out of pocket expenses for all of our events can run into huge dollars. A comparison was made of either the Wyndham Website or one of the Cheap Hotel.com systems. We also engaged AAA but all the hotels they worked with wanted guaranties.

By utilizing the Table below, book your reservations accordingly. When accessing the Wyndham website, become a member of their hotel chain. Enter in the hotel address below, date of the reservation and our booking code, 8000000307. Shop for your room and compare the price with the other hotel websites.
