Official Match Program

The American Legion presents its 33rd Junior 3-Position Air Rifle Tournament which provides competitors an opportunity to test their marksmanship ability in competition with other junior competitors throughout the nation.

A. **The Individual Tournament** has two phases of competition:

- 1) First Round - State/Regional Championships.
- 2) Second Round - Qualification Round for National Championships.

B. **The Team Tournament** has two phases of competition:

- 1) First Round – State Championships.
- 2) Second Round – For recognition of top teams in the nation.
 - **All team members must be entered on the same team per class. To determine rankings, the team score will be comprised of the top four scores fired in each class. Teams will be broken down into multiple teams of four shooters. This will continue until there are less than four shooters remaining per team.**

C. **The First Round and Second Round** of the Individual Tournament are **postal matches**, whereas the **National Championship** is an individual event that is a **shoulder-to-shoulder competition**.

D. **The First Round and Second Round** phases of the Team Tournament are postal matches.

- **A Postal Match is a match in which competitor's fire on their home ranges using targets which have been marked for identification. The fired targets are then returned for scoring and ranking awards.**
- The Individual and Team Tournaments will be conducted in accordance with this Official Match Program (OMP) and the 2020-2022 National Standard Three-Position Air Rifle Rule Book, 13th Edition.

Who May Compete:

A. **Sponsorship:**

- Entry into the Individual and Team tournaments is limited to competitors who are **active members** of a **Junior Shooting Club AFFILIATED** with an **American Legion Post**. Completed affiliation form on file with The American Legion National Headquarters. Affiliation form can be downloaded here: http://www.legion.org/documents/legion/pdf/jss_affiliate_form.pdf
- Affiliation forms must be filled out and signed no earlier than 1 September of the current Match Season and submitted during the registration process.

B. **Age Limits:**

- Competitors who are a member of the high school class of 2023 and those younger are eligible.

C. **Teams:**

- A team is comprised of four competitors who represent the same Junior Shooting Club.
- More than one team may represent a club; however, **only one competitor may represent a club/team**.

- The First Round of the team tournament is a postal match and will be comprised of the top four competitor's individual tournament scores.

D. Other Limitations:

- Each competitor may fire on only one set of “official match targets” during the State Championship phase of either tournament.
- **A SPORTER COMPETITOR IS INELIGIBLE TO COMPETE IN CONSECUTIVE INDIVIDUAL NATIONAL CHAMPIONSHIPS UNLESS HE/SHE IS MOVING FROM THE SPORTER CATEGORY TO THE PRECISION CATEGORY (CAN ONLY COMPETE AS A SPORTER ONCE). Tournament FAQ's:

Q: What is the Preliminary Tournament?

- The preliminary round team tournament is a “paper” match and will be comprised of four athletes’ individual tournament scores as designated by the club adult leader and the proper entry fees have been paid when the target sets have been ordered.
- A club may enter more than one team into competition. A competitor is **INELIGIBLE** to compete in the National Championship (Individual Tournament shoulder-to shoulder match) in successive years **UNLESS** he/she is moving **FROM** the Sporter Category **TO** the Precision Category.

Q: What is The American Legion Junior Shooting Program?

- It's a three-part program that combines the Basic Marksmanship Course, Qualification Awards, and Air Rifle Competition.
- During the Eight years of this program's continued growth, thousands of male and female junior shooters have participated, with a perfect safety record of no reported gun-related injuries.
- Participants in The American Legion Junior Shooting Sports Program can be any gender, ages 14 through 18. Handicapped youth are encouraged to participate.

Q: What is the Basic Marksmanship Course?

- It is a comprehensive instruction package for the beginning shooter that has little or no marksmanship experience.
- The course insures understanding by the student and easy use by the instructor
- Gun safety and marksmanship fundamentals are taught through a balanced mix of short lecture or discussion followed by hands-on activity.
- The package of instruction and support materials include:
 - Instructor's Guide: Detailed information for the instructor to teach the course.
 - Student Handbook: Now in its third edition, this popular handbook is a comprehensive reference text for beginning shooters, thoroughly covering the fundamentals of position shooting.

Q: What are the Qualification Awards?

- If an effective job is done presenting the BMC, most graduates will want to keep improving their marksmanship skills.
- The National Rifle Association provides Marksmanship Qualification Course for Air Rifle. These courses offer a personal skill development ladder where individual shooters work to achieve established performance standards.
- For each level of success, a sew-on patch and certificate of achievement are presented
- Junior shooters may enroll in these programs upon graduation from the Basic Marksmanship Course.

Q: What is the Air Rifle Competition?

- It is not a sport which gives an advantage to individuals of great size or strength. Physical fitness and stamina are important, but it is mental toughness and self-discipline which determine success.
- Competitive shooting is also one of the few sports where men and women can compete as equals. It is open to anyone willing to practice and to test their shooting skills on the firing line.
- The American Legion Junior Position Air Rifle Tournament is an annual tournament that begins with postal matches to determine state and/or regional champions.
- The next stage is a Qualification Round (also a postal match) to determine shooters who will earn expense paid trips to compete in the National Championship.
- The National Championship is a shoulder-to-shoulder match held during the summer and is conducted at the Olympic Training Center/USA Shooting Range Facilities in Colorado Springs, Colorado. This is the same facility that our Olympic shooters train and practice on.
