SUBJECT: Endorsement of Mr. Andrew Davis for 15th District Commander

TO: Department of Florida Elections Committee

On 17 January 2024 at general meeting at Hugh Gilbert Strickland American Legion Post 138, the membership approved the endorsement of Andrew Davis, member #204790571, for endorsement of the position of 15th District Commander, Department of Florida for the 2024-2025.

I have had the privilege of working with Mr. Andrew (Drew) Davis on many projects, events and tasks for American Legion Post 138 for the past nine years. Drew earned his right to be a Legionnaire with his service and later retirement from the United States Air Force. As his 1st Vice Commander and Adjutant, I work with him regularly solving the many challenges of managing a large and successful Post.

Since first meeting Drew, I have witnessed him successfully hold the offices of 3rd Vice and 1st Vice Commander. As he accepted the role of Commander of Post 138 and have personally worked by his side for the past 3 years as his 1st Vice and the Post adjutant. He strives to meet the goals and mission of the American Legion and to improve the quality of life for Legion family as whole. If elected to 15th District Commander, I know Drew's plan is to continue the team effort not only at District level, but to all whom may need assistance. It is the pleasure of Post 138 to endorse Mr. Andrew Davis for the position of District 15 Commander, Department of Florida.
