For God and Country

For follow-up and clarification, we further asked if the 11AL license holders were given the same allowances;

"Thank you for your inquiry. License 11AL is subject to the requirements of section 561.20(11), F.S. However, that specific statutory section does not allow purchases by the 11AL vendor from another vendor, such purchases are still limited to purchases through pool buying groups pursuant to section 561.14(3), F.S.

So, the 11AL license type is not able to purchase from another vendor."

Sincerely,

Kate Marshman

So, in conclusion, if you hold an 11AL license, you must use the three-tier distributor purchasing. If you hold an 11C license, you can purchase from any legal vendor in the State of Florida. Examples are local grocery stores, liquor stores, large box stores, etc. We encourage you to print this out and keep it with your 11C license for use during inspections.

If you have any further questions, please contact your District Commander or me.
