

CPR INSTRUCTIONS FOR **Submitting Department Addendum** **AND National Consolidated Post Report Online**

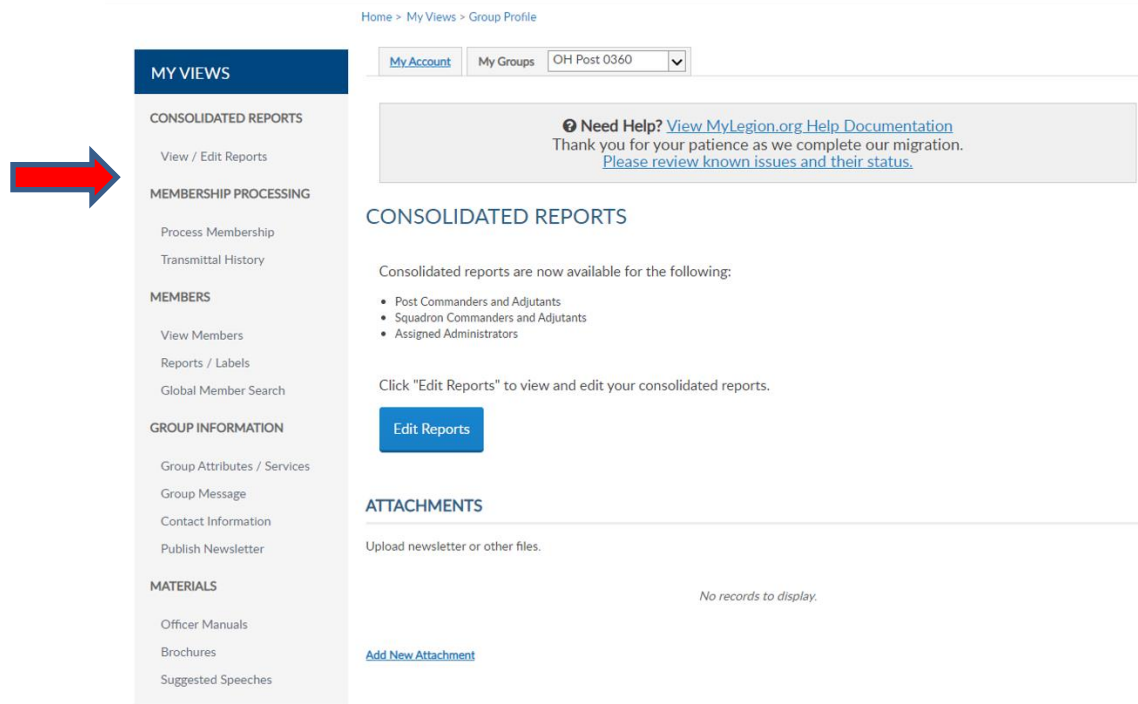

This information will be compiled with all other Posts nationwide and put into a summary which is then sent to Congress. This summary is “us” when the National Commander testifies on behalf of The American Legion. This information also gives the Department Committee Chairmen a simplified source that helps them judge and determine winners for Department Convention and End of Year Awards, so the need for accurate and honest information and statistics is paramount.

NOTE: The Consolidated Post Report and Department Addendum must be compiled and received by Department Headquarters for your Post to register delegates and vote at Department Convention AND to receive your new membership cards.

For ease and convenience, the National Consolidated Post Report and Department Addendum can also be completed online. The Consolidated Post Report can be found at myLegion.org, under the Consolidated Reports section, and available only to Post Adjutants. The Department Addendum can be found at floridalegion.org, under the Resources section.
