- Joan Suelter, Post 347
- Dianne Boland, Post 117
- Jean Ware Post 418

- **Women Veteran Advocates Working Behind the Scenes**

- Susan Kohler, District 16, Post 273, 1st Vice Commander, Service Officer

The benefits of being part of the legion family

- Advocate for female veterans.
- Assist women veterans transition from active duty to veteran status.
- Assist our sister veterans with access to VA benefits: health care to include mental health programs addressing PTSD and MST, homelessness and compensation.
- Apply their military and life experience to further the growth of the American Legion.
- Camaraderie

Mission Statement

- Engage our sister Veterans to foster female comradery.
- Educate and provide wellness assistance and other support as needed through networking and collaboration with Florida Department of Veteran Affairs, the American Legion and the VA system.
- Offer a safe environment that encourages a sense of belonging, recognition and appreciation for their service and sacrifices made in the defense of our country.
- Embrace their life and military experiences which will strengthen the growth of each other and the American Legion.

Honoring the Resilience of Women Veterans: Acknowledging Their Struggles After Discharge

In recent years, we have made significant strides in recognizing the sacrifices of our veterans. However, women veterans often find themselves navigating a unique set of challenges post-discharge. These challenges can encompass a broad spectrum, including mental health struggles, employment difficulties, healthcare disparities, and social reintegration.

Honoring (continued)

First and foremost, mental health is a pressing concern for many women veterans. The experiences of military service, including exposure to combat and the stress of military life, can leave lasting psychological impacts. Women veterans are at an increased risk of conditions such as post-traumatic stress disorder (PTSD), depression, and anxiety.

Unfortunately, these mental health issues are often compounded by feelings of isolation and the stigma of seeking help. It is imperative that we create a supportive environment where women veterans feel comfortable accessing the mental health resources, they need without fear of judgment.

Summary-Transitional Concerns for our women veterans

- Employment
- Health Care disparities
- Mental Health - Suicide
- Social reintegration
- Essential to acknowledge the impact of MST

Updates on projects and events since July 1,2025

Ashley Cottages located in Fruitland Park; Fl.

Continues to serve as a safe and inviting place for our homeless women veteran. Currently there 3 veterans residing there.

Ashley House located in beautiful Eutis, is moving forward.

Marie Birgendoff of Villagers for Veterans is working hard with fund raising to complete this house. It is 4,000 sq ft home and will be able to house 8 women veterans. Pictures on next slide.

First Women Veterans Expo and Benefit Fair Pompano Beach November 1st, 2025

A Huge thank you to Post 142, Commander Rosa and her entire legion family for hosting the first one-of-a-kind Women Veterans Expo and Fair. Numerous vendors provided vital information to our fellow sister veterans, and we were honored to have Phyliss Wilson, Retired Army Chief Warrant Officer as our keynote speaker. She is currently President of the Women Veterans Memorial located at Arlington National Cemetery, traveling around the country, raising money for upgrades at the memorial and encouraging a female veterans to sign up and “Tell their Stories”

Pictures on next slide.

Female Veteran Boat Parade Post 273 Maderia Beach November 8th, 2025

What another great day to celebrate our female veterans. Its was especially heartwarming how Post 273 honored our female veterans with a boat of their own. Its was magical, full of fun, and comradery to say the least. Department Commander Jessica Moore along with Department of Fla Women Veteran Chair Joan Suelter enjoyed the 2 ½ hour ride around Tampa Bay.

Pictures to Follow

Women Veteran Memorial Monument Fundraiser

The local Unit of Military Women across the nation is raising money for the construction of a women veteran's memorial monument at the Hillsborough County Veterans Memorial Park and Museum in Tampa. This monument will be erected to honor all women veterans who served faithfully and courageously for our freedom.

For more information please contact: Irene Rapoza or Connie White, Women Veteran Chairs. Rapoz159@gmail.com

Women Veteran Moment in Freedom Plaza, Florida National Cemetery Bushnell Florida

The Joint Veterans Service committee is working on the final blueprints to be completed so they can be sent to Washington DC for approval. Placement is hopefully 2027.

Factors Driving Suicide Among Veterans

Below are the 10 most common responses to the question "What can ROGER help you with?"

VA

U.S. Department of Veterans Affairs

Florida Veteran and Total Florida, Southern Region, and National Suicide Deaths by Method,⁴ 2022

At some point, we have to realize the connection between suicide and firearms. The overwhelming research indicates firearms are one of the leading causes of veteran suicide, in fact, nationwide, almost 3 out of 4 (71%) veterans who die by suicide use a firearm.

To Achieve this

****Raise Awareness****: Educate women veterans and the public about the unique struggles faced by women veterans. Increased awareness can lead to greater empathy, understanding, and support.

****Advocate for Policy Changes****: Work with lawmakers to implement policies that address the specific needs of women veterans, including healthcare improvements, employment initiatives, and mental health support.

****Strengthen Support Networks****: Encourage the development of veteran-focused organizations, peer support groups, and community programs that provide a sense of belonging and assistance.

****Improve Access to Healthcare****: Ensure that women veterans have timely access to high-quality, gender-specific healthcare services to includes expanding mental health resources and addressing the unique medical needs of women who have served.

Achieve (continued)

****Promote Employment Opportunities****: Collaborate with businesses and organizations to create job training programs, mentorship opportunities, and hiring practices that recognize the value of women veterans' skills and experiences.

****Address Military Sexual Trauma****: Enhance support systems for MST survivors, including counseling, legal assistance, and comprehensive care tailored to their needs.

Strides

- The VA has recently expanded benefits for women veterans, with more than 50,000 women veterans enrolled in health care over the past 365 days, including
 - **HEALTH CARE**
 - Breast cancer screenings and mammograms who may have been exposed to toxins.
 - Increased access to reproductive health services, including birth control, preconception
 - counseling and menopausal support
 - **Disability Compensation**
 - Compensation benefits is at an all-time record number; with women veterans (717,141) receiving disability benefits. Of the 89% of women veterans who have applied from the VA for at least one condition, on average receiving \$27,109 earned benefits each year.
 - **Women Veteran Call Center**
 - Supports Women veterans in navigating all the services we might need. **1-855-829-6636**
