

Greetings,

On behalf of the Florida American Legion Riders, I am reaching out to ask for your support as I participate in the **8<sup>th</sup> Annual In-State Unity Ride**, benefiting **PROJECT: VetRelief's Suicide Prevention Initiative (SPI)**. This initiative is dedicated to ending veteran suicide by providing critical resources, support, and intervention for those who have served our country.

On **April 20th, 2026**, approximately 250 American Legion Riders will kick off a week-long ride through the state of Florida as a part of a three-route journey raising funds for this life-saving mission. **Every dollar raised goes directly toward supporting veterans in crisis.**

We have set a fundraising goal, and with your generous donation, we can make a real impact. A donation of any amount will help provide the necessary assistance to veterans who need it most.

**How You Can Help:**

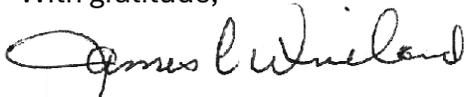

- Donate online: <https://give.floridalegion.org/2026UnityRide>
- Make a check payable to: *Florida American Legion Riders*
- Share this mission with friends, family, and colleagues to help spread the word!

As a thank you for your generosity, donors will be recognized as part of this year's ALR In-State Unity Ride and will be directly contributing to the fight against veteran suicide.

Your support means the world to me, our fellow riders, and, most importantly, the veterans who rely on these services. Thank you for considering a donation to this important cause.

Please feel free to reach out if you have any questions. I truly appreciate your time and support!

With gratitude,

A handwritten signature in black ink that reads "Jim Wineland".
